## NEW! Prototypes Seminar

DATAIR is pleased to announce that the IRS has approved all of the DATAIR prototypes. This new seminar will utilize the flexible provisions of the non-standardized 401(k) Adoption Agreement as a basis. We will discuss the provisions of the basic plan document, as well as incorporate all of the GUST provisions and the required and optional EGTRRA amendments. We will also provide an explanation of the technical requirements necessary to establish and maintain a prototype plan and review the Defined Benefit provisions of the prototypes.

This seminar will be offered during our November and December week of training in Westmont.

Location: Westmont, IL  
Dates: **Monday, November 12 or Monday, December 3, 2001**  
Times: 9 A.M.- 6 p.m. Seminar  
4-6 P.M. DB Aspects of the Document
