## PRESS RELEASE

### *FlexPlus Cafeteria System from DATAIR now has the Benny Benefits Debit Card*

For immediate release

Tuesday, November 16, 2010

Westmont, Illinois – DATAIR Employee Benefit Systems, Inc., in partnership with Evolution Benefits™, now offers the Benny™ Benefits Debit Card along with flex plan Internet access. Benny is a special Visa® or MasterCard® card that lets employees instantly pay for eligible services and products from their FSA, HRA, HSA, DCAP and Section 132(f) accounts without submitting claims forms.

The Benny Benefits Debit Card boosts enrollment, cuts administrative time and expense, and improves the accuracy of claim substantiation automatically. Employees, employers and TPAs have 24/7 online access to account information and transactions.

DATAIR's *FlexPlus Cafeteria System* handles enrollments, payroll contributions, manual claims, employer/employee reports and compliance testing, and now, it can also seamlessly link with the Benny, the benefits debit card from the industry leader.

DATAIR, founded in 1967, has been a leading provider of software for benefits and pension professionals. Additional information about the *FlexPlus Cafeteria System* and other DATAIR software for retirement and cafeteria plan administration, documents and reporting is available at [www.datair.com](http://www.datair.com) or by calling (888) 328-2474.
