PRESS RELEASE

DATAIR Pension Reporter System – 2004 5500 Forms Released

For immediate release

December 21, 2004

Westmont, IL. - DATAIR Employee Benefit Systems, Inc. announces the release of its ***Pension Reporter*** software package containing 2004 plan year EFAST-approved 5500 series forms and schedules. *DATAIR was the first to win EFAST approval this year.* This release comes complete with all printing capabilities, Electronic Filing, validity checking and built-in instructions.

Pension Reporter is available to new users FREE until December 1, 2005, under the FREE 2004 Forms promotion. No license fee, no support fees, no obligation! Visit www.datair.com/register for details.

The ***Pension Reporter*** system is licensed by DATAIR to Third Party Administrators, Consultants, Plan Sponsors and other pension and benefits professionals on a site basis (no limits to number of computers) with license and support fees being based on the number of plans administered.

DATAIR's Pension Reporter is available in three modules:
- **5500 Series** (including all forms, schedules and SAR),
- **1099-R Series** (including electronic transmittal), and
- **Qualification & Termination** (5300 and 5310 Series).

The system includes government instructions, detailed instant edit checks, year-to-year data transfer, conversions from other systems, and batch printing. Licensees are entitled to expert support on systems and forms issues at no additional cost.

DATAIR, founded in 1967, has been a leading provider of software for benefits and pension professionals. In the early 1980s, DATAIR was the first software developer to introduce a system for generating the government Form 5500 series and schedules. Additional information about ***Pension Reporter*** and other DATAIR software is available at www.datair.com or by calling (888) 328-2474.
