Westmont, IL, March 30, 2018: It is with fondness and great sadness that DATAIR announces the retirement of Lanning Hochhauser, Esq. Lanning has provided DATAIR and our clients with many years of great wisdom and insight. Lanning has spear-headed DATAIR through many changes in the document world over the last few decades. GUST, EGTRRA, and PPA being just a few of hurdles that Lanning has helped DATAIR and its clients overcome. Lanning's final day at DATAIR is April 30, 2018. We at DATAIR wish him many years of relaxed fishing, playing with the grandchildren, and laughing at the rest of us as we go through Post PPA submissions.

About DATAIR's Document Systems

DATAIR's Retirement Plan and Cafeteria Plan Document Systems are cost-effective PC-based systems that allow plan administrators to prepare accurate and dependable plan documents, SPDs, ancillary documents and forms, and employee communications.
