

Report Writer

Option for DATAIR's DC/401(k) & DB Pension Systems

- ◆ Create customized reports & statements using DATAIR templates and Design Wizard
- ◆ Or...ask about DATAIR's Report Design Service and we'll do it for you!

Report Writer lets you...

- Create custom reports from data extracted from DATAIR's Defined Contribution/401(k) or Defined Benefit Pension Administration System
- Customize from over 75 standard reports, statements, certificates and letters to plan participants
- Modify any of the template reports
- Start from scratch using the "drop and click" Report Designer
- Enhance reports and statements with special fonts, colors, graphics, and pictures
- Create new report output and values with Report Writer's math and string functions
- Export capabilities provide additional flexibility
- Full expert support

Customize your own reports & statements

Don't have time to customize reports?

Ask about our **Report Design Service** which is available to Report Writer licensees.

Report Design Service is a great choice for your most complex report writing projects.

DATAIR will create, test, and deliver report formats to your specifications for a very reasonable fee.

System updates available as regulations change or enhancements are made.
